Kentucky Derby Museum and Backstretch Tour \$50

There's no experience quite like a once-in-a-lifetime chance to spend a morning on a private backside tour at Churchill Downs Racetrack. Get a behind the scenes view of Thoroughbred racing at the "World's Most Legendary Racetrack." Along with more than 1,400 stalls that are mostly all full during the peak season, see the horses training rail side, catch them during a bath and learn about life at the track. Be sure to bring your cameras because on any given day of training, visitors will get an up close and personal view of the horses, jockeys, trainers, and other connections who live the sport of horseracing! This tour is exclusive to groups visiting the Kentucky Derby Museum and not available to the general public.

The Pros from the Derby Museum provide a range of hat styles for men and women... big brimmed hats, small brimmed hats, fedoras, cowboys hats, fascinators, and more. They also provide ribbons, bows, flowers, feathers, staff assistance and all the fanfare - you provide the style!
